

These are a few of Becki's favorite things:

- Talking to strangers.
- Accepting bizarre food challenges.
- Engaging in philosophical conversations in open-air bars.
- Experiencing exotic travel adventures.
- Interviewing people out of curiosity.
- Learning new things that challenge assumptions
- Dancing on crowded dance floors.
- Finding reasons to like unlikable people
- Geeking out on sexy mind science
- Sipping brown drinks.
- Discovering something fascinating in what appears to be boring.
- Engaging with people who think differently.
- Contemplating preposterous solutions to impossible problems.

These are few of Becki's least favorite things:

- Seagulls with good aim.
- Bogus scientific claims.
- Hairs on the shower wall.
- Painfully high heels.
- Lost luggage.
- Total familiarity.
- Categorical dogma.
- Strict recipes.
- Passive aggression.
- Rides that spin.
- Complete certainty.
